

FORREST & LØXE

Beer Mugs

Special Edition

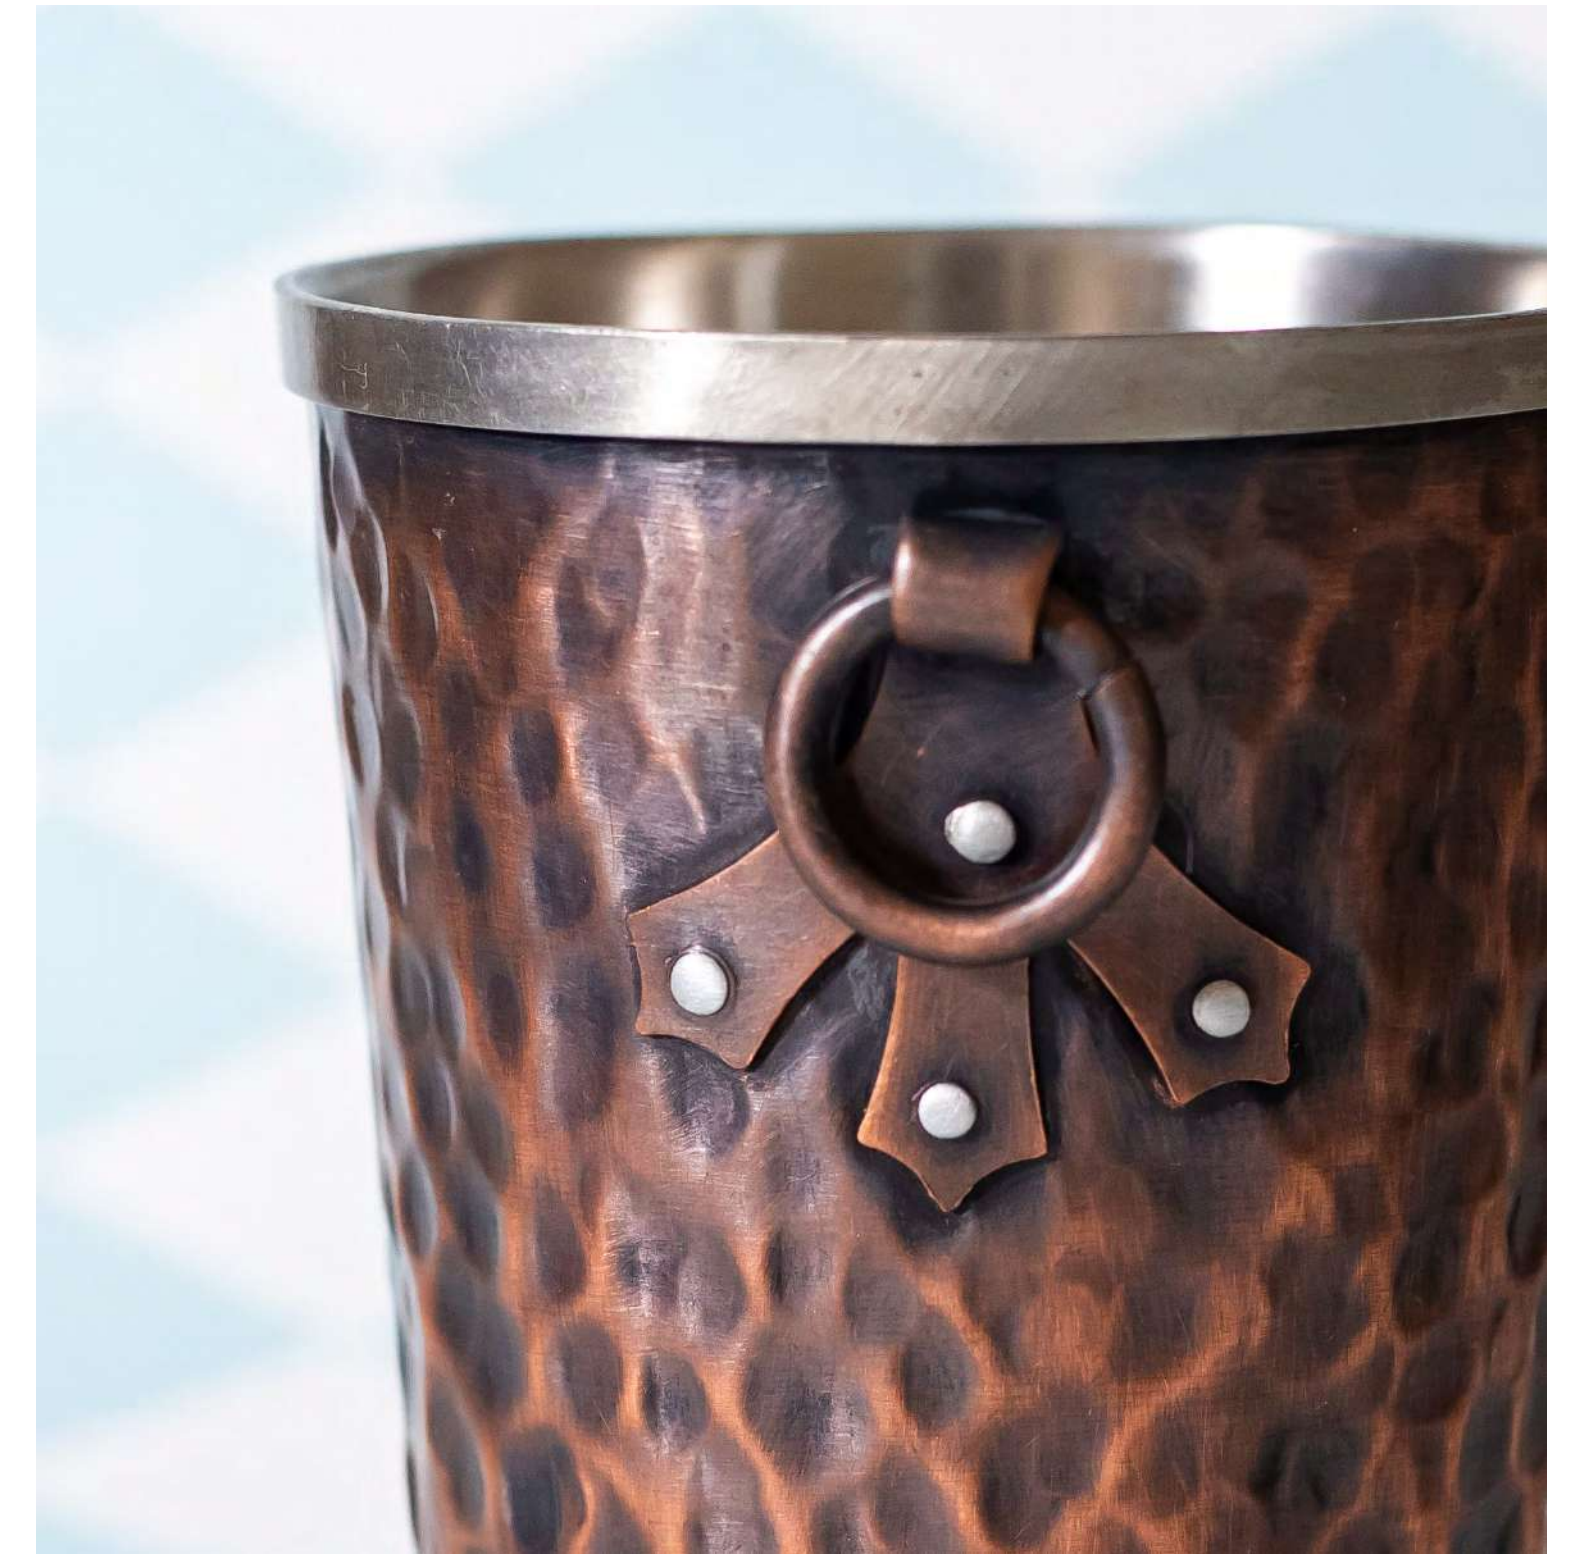

Celebrate Oktoberfest all year round!

Handmade from premium copper and stainless steel, this artfully designed beer mug by Forrest & Love calls to be filled with the finest German brews. Its traditional silhouette brings back to life the authentic legacy of celebrating beer since the 14th century. The beer mug is distinctively adorned with an emblem that encapsulates the vibe of the Oktoberfest and has a generous holding capacity to keep the good times flowing.

Celebrate with friends over some beers or savour a well-earned drink alone when guests have taken their leave - either way, the spirit of Oktoberfest is right at your fingertips!

Material:

Exterior: Pure copper with a brass emblem

Interior: Stainless steel

Volume: 500 ml
