

FORREST & LØXE

# Christmas Ornaments

Made With Pure Copper

# RADIANCE OF PURE COPPER

*Exquisitely handcrafted from a single sheet of pure copper, Christmas Ornaments by Forrest & Love add a mesmerising touch to any Christmas tree. The shimmer of pure copper perfectly embodies the magic of Christmas, promising a lustrous shine. Each ornament is carefully handcrafted by artisans and comes with a natural fibre thread, ready to hang in all its glory! Pure copper is durable and lasts for years, making the ornaments perfect keepsakes to pass down generations.*

# REINDEER

There is nothing more enchanting than reindeer in a snowy landscape! The reindeer ornament brings the same magic to your Christmas tree with its delicate antlers and slender curves. This beauty in pure copper is guaranteed to breathe life into your holiday décor!

Dimensions: 8.5 x 5.5 cm

# SNOWFLAKE

Bring home the splendour of winter with this petit snowflake! Crafted in pure copper with a fine lacquer finish that beautifully captures the twinkling lights of the festive season. Gift your loved ones this charming metallic accessory and make their holidays more joyous!

Dimensions: 7.5 x 6.65 cm

# BELL

Ring in the holiday spirit with the bell ornament! The curvy silhouette of the bell is further enhanced with a beautiful geometric pattern cut that elegantly adorns your Christmas tree.

Dimensions: 7.5 x 6.2 cm

# STAR ANGEL

This intricately designed ornament perfectly symbolises the spirit of Christmas with the guiding star and angel. The star angel is a must-have in a lovingly curated collection of Christmas decorations

Dimensions: 7.5 x 7.5 cm

# GUARDIAN ANGEL

A fitting gift for someone special for the merry season. The guardian angel perfectly hangs from the Christmas tree branches, almost as if looking over you and your loved ones.

Dimensions: 8.5 x 8 cm
